

Scouting from home #AdventureContinues Challenge 3 – International

Let's celebrate Suffolk Scouts partnership with Mafeking, North West Province, South Africa, by giving these challenges a try.

You can try as many as you like – and there is no reason why you can't try one that is listed under a different section.

They don't have to be completed all at once, but are a way our young people can access Scouting at home.

Please celebrate and post on social medias using the #AdventureContinues or email us pictures of your adventure to AdventureContinues@SuffolkScouts.org.uk

Beavers

Try an African craft – there are lots of different ideas on the following website
<https://artscraftsymom.com/african-crafts-for-kids/>

Cubs

Learn a song or dance from South Africa. Why don't you record or video it to share with your pack.

Turn your recycling into a famous landmark from another country.

Scouts

Make an African animal face mask.

Write a postcard, letter or blog to our friends in South Africa (Mafeking) showing how you scout in UK.

If you feel really ambitious, with all those empty crisp packets you have at home, try weaving them into mats, jewellery, or bags.

Explorers

Organise an activity for a younger section that explores another country's national celebration, festival or event (e.g. Freedom Day in South Africa 27th April).

Explore aspects of South Africa's culture such as their greetings, religion and approach to gender. You could organise an online discussion with the rest of your unit on the similarities and differences with culture in the UK.

Don't forget to take a picture of your adventures and post on social media with the #AdventureContinues or email us your photos to AdventureContinues@SuffolkScouts.org.uk

Why don't you check out many more activities you can do at home in #TheGreatIndoors.

The Scouts have created over 100 resources called the great indoors, check out all their activities here:

<https://www.scouts.org.uk/the-great-indoors/>

and don't forget to celebrate and post on social media using the #TheGreatIndoors & #AdventureContinues

Note for leaders:

These activities will all count towards the International Activity Badges, and most for the Creative Challenge Badges too.

Thank you so much

Please stay safe, look after your loved ones. Smile, laugh and reflect, and continue to live by our Scouting values.
