

ADVENTURES OFFSHORE

Experience the excitement & adventure of offshore sailing

Offshore Sailing Weekend – 6th to 8th June 2014

We have chartered the Adventures Offshore Sail Training yacht 'Offshore Scout' for the weekend 6th to 8th June 2014 for Suffolk Scouts.

Any Scout (aged over 14), Explorer Scout, Network Scout or Leader can apply for a berth.

- Priority will be given to Scouts, Explorers & Network Scouts. However as it is unlikely we will fill all the berths with just young people, applications from Leaders & Helpers will also be most welcome.
- Cost for the weekend is £80 for young people (aged under 25) and £115 for over 25's.
- We will be sailing out of Ipswich and returning there Sunday mid afternoon. The weekend will be spent sailing in and around our local waters and on the River Orwell.
- The young persons cost has been reduced following a subsidy received from the Heritage Lottery Fund through the Touching the Tide Landscape Partnership Scheme
- The cost includes all food, wet weather clothing & insurance, but excludes travel costs or personal spending.

If you want to apply please contact Keith Trevorrow at keith.trevorrow@btinternet.com / 01449 711750 / 07860807585. First come / first served !!

Offshore sailing on a large yacht like Offshore Scout is a great experience and offers challenges to all ages. It is also 'Good Scouting'.

This weekend is suitable for absolute beginners or those with some experience who want to brush up on their skills.

Offshore Scout is a 15m purpose built Oyster yacht

Adventures Offshore is a Scout District in Essex and a part of the Scout Association.
