

ADVENTURES OFFSHORE

Experience the excitement & adventure of offshore sailing

Offshore Sailing Weekend – 3rd to 5th October 2014

We have chartered the Adventures Offshore Sail Training yacht 'Ocean Scout' for the weekend 3rd to 5th October 2014 for Suffolk Scouts.

Any Scout (aged over 14 on 3rd Oct), Explorer or Network Scout, Helper or Leader can apply for a berth.

- Priority will be given to Scouts, Explorers & Network Scouts. However as it is unlikely we will fill all the berths with just young people, applications from Leaders & Helpers will be most welcome.
- Cost for the weekend is £80 for under 25's and £115 for over 25's.
- The young person's cost has been reduced following a subsidy received from the Heritage Lottery Fund through the Touching the Tide Landscape Partnership Scheme.
- We will be sailing out of Ipswich Docks and returning there Sunday mid afternoon. The weekend will be spent sailing in and around our local waters and on the River Orwell.
- The cost includes all food, use of good quality wet weather clothing and insurance, but excludes travel or personal spending.

If you want to apply for a berth please contact Keith Trevorrow - first come / first served !!

keith.trevorrow@btinternet.com / 01449 711750 / 07860807585.

Offshore sailing on a large yacht like Offshore Scout is a great experience and offers challenges to all ages. It is also 'Good Scouting'.

This weekend is suitable for both absolute beginners or those with some experience who want to brush up on their skills.

Adventures Offshore is a Scout District in Essex and a part of the Scout Association.
