Tall Ships Race 2017 – Baltic Sea

In 2017 the Tall Ships Race is taking place in the Baltic Sea. This renowned International Youth Event will see thousands of young people from across the globe taking part in an iconic sailing adventure. Dozens of Sail Training vessels ranging from massive 4 masted square riggers down to 10m sloops will be taking part. For more information have a look at the race website.

Suffolk Scouts will be sailing from Turku in Finland on the eastern side of the Baltic Sea to Klaipeda in Poland. We have booked all the berths on the Adventures Offshore sail training yacht 'Ocean Scout'. This includes taking part in Race 2 as well as enjoying the many shore based activities and events, parades, receptions and crew exchanges with other vessels etc. Those who have sailed on Tall Ships Races before have called it 'an experience of a lifetime'. www.adventuresoffshore.co.uk/

Any Suffolk Scout, Explorer, Network or Leader can apply for a berth if they will be aged between 15 and 25 on the 23rd July 2017.

- Sat 22nd July fly to Turku, return Sun 30th July from Klaipeda.
- £350 per berth on *Ocean Scout* which includes all food, good quality wet weather clothing, team fleece & additional insurance.
- this excludes air fares, travel to the airport in Uk and personal spending while ashore.
- no experience necessary – open to complete novices or experienced sailors.
- suitable as DofE Award Gold Residential.
- we have made several applications for grants & funding to subsidise this cost.

Adventures Offshore is a part of the Scout Association and is a Scout District in its own right. This is what they say about Tall Ships Races :-

"Adventures Offshore supports the Tall Ships Race because we feel it is a unique opportunity for young people of many nationalities to meet in both a competitive and social environment.

There is no doubt that for those who participate this is a milestone event that they talk about for many years "
