Patrol Leader Testimonial

“Being a Patrol Leader was both an exciting opportunity but also a lot of fun. I was responsible for keeping in touch with the Contingent Management Team whilst on our path, feeding back to the international hosts and ensuring my patrol were safe and happy.

Whilst it may seem like a big responsibility, you are well supported at every stage and it helped me develop skills I constantly use in my personal, professional and Scouting life.”

James Wylie – Patrol Leader, Roverway 2016
