

20th-25th August 2026

Join in the fun...make a difference...

We are now recruiting for adult team members for the following team that will help to make Suffolk Punch 2026 a success...

Security Team

Known for your social skills? Vigilant and happy to ask questions to keep our young people safe during the event? Happy to be assertive when needed? If you answered 'yes' to these then we need you on our security team.

Main activities for this team include:

- Coordinating and delivering control of vehicle entry and exit to the site both during drip-off and pick-up, and during the event.
- Ensuring that visitors are directed to, and sign in at, reception in the main building.
- Along with all adults attending, question any adults or young people on site who are not wearing an event wristband.
- Coordinating and delivering a nighttime security patrol around the site.
- Along with all adults attending, ensuring that adults adhere to the Scouts 'Yellow Card' and 'Green Card'.

Please express your interest to Leigh Foster-Green by emailing leigh.foster-green@suffolkscouts.org.uk by 30th June 2025 so we can catch up for a chat.
