

Inclusion On-Going Learning Opportunity for Suffolk Leaders and Adult Supporters

suffolkscouts.org.uk

#SkillsForLife

Would you like some support and useable strategies for providing reasonable adjustments for the young people your sections?

If you would like to join us and develop opportunities for your young people, then please come along to a session being run by the S.A.I.D Team from Scout HQ.

The SAID Team are a group of specialist advisers with expertise in ensuring scouting provision is inclusive, accessible and as diverse as the communities in which we live.

The team will be on hand with workshops to equip adult volunteers in Scouting with practical skills, knowledge and confidence to support inclusive Scouting.

Saturday 9th March, 8.45am - 12pm at The Blackbourne Community Centre, Elmswell, IP30 9GY.

Due to likely high demand, please confirm you will be attending via Keri John at burydyc@gmail.com - thank you!
